Hi all,

I am attaching the reviewers' comments. I have not read them all in detail. And I am unsure that I agree with them all, but need to read them carefully. At any rate, I am taking off for the week after I hit send.

Thanks so much again--  
John

Hi co-authors,

Well unless the review comments are much more difficult than I found on first glance, I think we are accepted for publication in the journal Science. Congratulations and thank you all!

I will keep you posted on progress.

Have a great weekend!  
John
